NOTICE TO CREDITORS AND PROPOSED PLAN

The Debtor(s) filed for relief under Chapter 13 of the United States Bankruptcy Code on August 7, 2015.

The filing automatically stays collection and other actions against the Debtor, Debtor's property and certain co-debtors. If you attempt to collect a debt or take other action in violation of the bankruptcy stay you may be penalized.

Official notice will be sent to creditors, which will provide the name and address of the Trustee, the date and time of the meeting of creditors, and the deadline for objecting to the plan. The official notice will include a proof of claim form.

A creditor must timely file a proof of claim with the Trustee in order to receive distributions under the plan. The Trustee will mail payments to the address provided on the proof of claim unless the creditor provides another address in writing for payments. If the proof of claim is subsequently assigned or transferred, the Trustee will continue to remit payment to the original creditor until a formal notice of assignment or transfer is filed with the Court.

CHAPTER 13 PLAN SUMMARY

The Debtor proposes an initial plan, which is subject to modification, as follows:

I. Plan Payments

The plan proposes a payment of **\$1,820.00** per month for a minimum period of **36** months. The Debtor shall commence payments to the Trustee within thirty (30) days from the date the petition was filed.

II. Administrative Costs

The attorney for the Debtor will be paid the base fee of \$3,700.00. The Attorney has received \$ **285.00** from the Debtor pre-petition and the remainder of the base fee will be paid monthly by the Trustee as funds are available, after scheduled monthly payments to holders of domestic support obligations and allowed secured claims.

The Attorney for the Debtor will file application for approval of a fee in lieu of the presumptive fee.

2. Trustee costs. The Trustee will receive from all disbursements such amount as approved by the Court for payment of fees and expenses
